

Creation

Episode 3 · Genesis 1:1–2:3 · for ages 2 to 6 · 6½ minutes

● The Bible story

1:1 In the beginning God created the heaven and the earth.

1:3 And God said, Let there be light: and there was light.

1:16 And God made two great lights; the greater light to rule the day, and the lesser light to rule the night: he made the stars also. **1:27** So God created man in his own image, in the image of God created he him; male and female created he them. **1:31** And God saw every thing that he had made, and, behold, it was very good. And the evening and the morning were the sixth day.

Genesis 1:1, 3, 16, 27, 31, King James Version

● What we learn

- ✓ God made everything: the light, the sky, the land and the plants, the sun, moon and stars, the fish and birds, and all the animals.
- ✓ God made people in His own image, to know Him and love Him. He made you, too.
- ✓ Everything God made was very good. On the seventh day God rested and made it a special day.

● Memory verse

“And God saw every thing that he had made, and, behold, it was very good.”

Genesis 1:31

● Talk about it

1. What did God make on the very first day? Can you remember what He made on day four?
2. Mimi said “Sheep! Like me!” Which animal that God made do you like best?
3. God made the whole wide world, and He made you too. What would you like to thank God for?

● Try this

Make a “seven days” picture together. Fold a big sheet of paper into seven spaces and draw one day in each: light, the sky, land and trees, the sun, moon and stars, fish and birds, animals and people, and a cosy bed for the day God rested. Then count the days on your fingers, one to seven, like Mimi and Lumi.

Then colour the free colouring page of Mimi and Lumi in God’s very good world, and count the seven days on your fingers.

● Pray together

Dear God, thank you for making the whole wide world, the stars, the animals and the flowers. And thank you for making me. Amen.
